

# EU Water Initiative and National Policy Dialogues.

## Progress made – Armenia

Mr. Volodya Narimanyan, Deputy Chairman of  
State Committee of Water Economy

- ▶ aim: to implement provisions of the UNECE/WHO–Europe Protocol on Water and Health
- ▶ Armenia was one of the first countries where the process of EUWI National Policy Dialogue started in 2006
- ▶ national water and health targets were drafted by national and international experts (2013–2014)
- ▶ action plan to support implementation of targets was approved in December 2014
- ▶ roadmap to the ratification of the Protocol on Water and Health approved in December 2014
- ▶ work on Protocol has been useful to increase coordination between different ministries and agencies
- ▶ formal adoption of national targets and ratification will be discussed at next NPD Steering Committee in December 2015
