

Salehin KHAN

Associate Economic Affairs Officer

Mr. Salehin Khan is an international trade professional with more than twelve years of experience in trade facilitation and private sector development in various international organizations in Europe and Asia. He is currently working for the Economic Cooperation and Trade Division of the *UN Economic Commission for Europe (UNECE)* as Associate Economic Affairs Officer in the Trade Facilitation Team. He managed the update of the well-known UN Trade Facilitation Implementation Guide (www.tfig.unece.org). He is a team member of the UN/CEFACT Integrated Services for MSMEs in International Trade (ISMIT) project. He was also part of the team that revised the Recommendation No. 4 (National Trade Facilitation Bodies).

Prior to joining UNECE in 2014, he worked for *UN Economic and Social Commission for Asia and the Pacific (ESCAP)* for four years in the Trade Facilitation team. He has extensive experience in economic analysis and managing technical assistance and capacity building projects on Trade Facilitation with a focus in developing countries and transition economies.

He also worked for *International Finance Corporation (IFC)*, and *International Labour Organization (ILO)* in South Asia, delivering business advisory services for agribusiness enterprises.

He holds an MA in Development Studies from the *International Institute of Social Studies*, the Hague, the Netherlands.
