Łukasz Kroplewski, Piotr Kasza

International Centre of Excellence on Coal Methane in Poland

www.igg.pl/OCE-CMM
Founders of ICE-CMM Poland

Central Mining Institute
Polish Geological Institute – National Research Institute
Oil and Gas Institute – National Research Institute
Polish Oil and Gas Company

The Center in Poland operates within
The Chamber of the Natural Gas Industry

and under UNECE patronage

www.igg.pl/OCE-CMM
The Board of ICE-CMM Poland

Each of the institutions forming the Center has appointed a representative to the ICE-CMM

The Board:

Łukasz Kroplewski POGC – Chairman
Zbigniew Lubosik CMI – Member
Janusz Jureczka PGI-NRI – Member
Piotr Kasza OGI-NRI – Member

ICE-CMM Poland Funding

- Members fee
- Donations
- Projects

Currently the estimated annual expenditure is 100 thousand dollars, of which half is covered by our own contributions
Deliverables ICE-CMM Poland

1. Polish translation of the Best Practice Guidance for Effective Methane Drainage and Use in Coal Mines
   by March 2017

2. A demand-driven capacity-building workshop
   ✓ promotes gas drainage
   ✓ principles and best practices for pre-, during and post- mine gas drainage
   ✓ use of the drained gas
   ✓ destruction methods of unused gas
   by the end of 2018 and by the end of 2019 (if requested)

3. Two demand-driven seminars
   ✓ practical application of best practices in two different coal mining regions
   by the end of the year 2018 and 2019

www.igg.pl/OCE-CMM
Deliverables ICE-CMM Poland

4. A capacity-building workshop
   ✓ technologies and methods of gas drainage from CBM
   ✓ problems and opportunities associated with development of CBM projects
   by December 2019

5. Status reports on the activities of ICE-CMM in Poland
   in 2018 and 2019 at the Anual Session of UNECE Group of Experts on CMM

6. Two to four case studies
   ✓ implementation of best practices in effective methane drainage in operating coal mines
     (Poland and other countries cooperating with ICE)
   by December 2019
The forthcoming activities of ICE-CMM Poland

- Stand and presentation of ICE-CMM Poland at the Global Methane Forum – April 2018 in Toronto
- Workshop and visit ICE-CMM China in Poland – by the end of 2018
- Presentation of ICE-CMM at the COP24 conference in Katowice – December 2018
