

**Expert Group on Resource Management (EGRM) Tenth Session
Item 4: Workshop – UNFC and UNRMS: Tools for Managing Resources for
Sustainable Development**

29–30 April 2019 – Salle XII, Palais des Nations, Geneva

DRAFT PROGRAMME (v3 as at 4 April 2019)

Day 1: Monday, 29 April 2019		
09:15 – 10.00	Coffee – Sponsored by xxxxxx	
Chair and Facilitator: David MacDonald, Chair, Expert Group on Resource Management		
10.00 – 10.05	Opening of Expert Group on Resource Management Tenth Session Adoption of agenda: ECE/ENERGY/GE.3/2019/1	David MacDonald, BP and Chair, Expert Group on Resource Management (EGRM)
10.05 – 10.10	Welcome Remarks & Introduction to Item 4: UNFC and UNRMS Workshop	Charlotte Griffiths, UNECE
UNFC Training by Petrad		
10:10 – 10:40	UNFC Training	Sigurd Heiberg and Per Blystad, Petrad
10:40 – 11:20	UNFC Training	Sigurd Heiberg and Per Blystad, Petrad
11:20 – 12:00	Discussions	
12:00 – 12:30	The SEEA framework – An overview of the use of UNFC for resource classification and management	Robert Smith, Midsummer Analytics, Canada
12:30 – 12:50	UNFC Training	
12:50 – 13:00	Discussions	
13:00 – 15:00	Lunch Break (delegates own arrangements)	
14:15 – 15:00	Coffee – Sponsored by xxxxx	
Integrated, indivisible and balanced management of resources – Why? What? How?		
15:00 – 15:20	Keynote presentation: Resources for Sustainable Development: Challenges, Opportunities, Outlook	Bas de Leeuw, Managing Director, World Resources Forum Association
15:20 – 15:40	UNFC to UNRMS: Key considerations and what is meant by resource management in context of UNRMS	David MacDonald, BP and Chair, EGRM
15:40 – 16:00	How to fix the elevator problem? Approaches to Sustainable Resource Management	Hari Tulsidas, UNECE (tbc)
16:00 – 16:20	The tale of two triads – Connecting “People-Planet-Prosperity” and “Food-Water-Energy” to sustainable resource management	Julian Hilton, Aleff Group and Chair, Sustainable Development Goals Delivery Working Group
16:20 – 16:40	A systems view of environmental – economic management of natural resources (tbc)	Robert Smith, Midsummer Analytics, Canada
16:40 – 17:40	Panel discussion: The whole is greater than the sum of its parts: Towards building a UNRMS for sustainable resource management	Scott Foster, Igor Shpurov, China, Milan Grohol, AMREC, Mexico (all tbc) Moderator: Julian Hilton
17:40 – 18:00	Discussions	All
End of Day 1 of UNFC and UNRMS Workshop		

Day 2: Tuesday, 30 April 2019

09:15 – 10:00 Coffee – Sponsored by Jordanian Uranium Mining Company (JUMCO)

Leveraging resource efficiency

Chair and Facilitator: David MacDonald, Chair, EGRM

10:00 – 10:10	Opening Remarks	David MacDonald, BP and Chair, EGRM
10:10 – 10:40	Keynote presentation: Innovation, raw materials and moving towards circularity	Karen Hanghøj, CEO, EIT Raw Materials
10:40 – 11:00	How UNFC helps with circularity - introduction and overview of UNFC Anthropogenic Specifications	Soraya Heuss-Aßbichler, LMU Munich, Germany
11:00 – 11:20	Resource management at a project level	Sandra Müller, FH Nordwestschweiz, Switzerland
11:20 – 11:40	Resource management at the national level	Helmut Rechberger, TU Wien, Austria
11:40 – 12:00	Striving towards a Circular Economy for Phosphorus: The role of Phosphate Rock Mining	Bernard Geissler, Danube University Krems, Austria
12:00 – 12:20	Valuable energy materials from phosphate rocks	Nils Haneklaus, Aachen University, Germany
12:20 – 12:40	Advanced bioenergy based on forest and agricultural residues: Where is the biomass?	Sebastien Haye, E4Tech
12:40 – 13:00	Discussions	All
13:00 – 15:00	Lunch Break (delegates own arrangements)	
14:15 – 15:00	Coffee – Sponsored by Sullivan and Cromwell	

Sustainable resource management: Challenges and opportunities

15:00 – 15:20	Kazakhstan's Classification of Subsoil Resources: Potential harmonization to UNFC	Akbatyr Nadyrbayev, Chairman, Committee of Geology and Subsoil Use, Kazakhstan
15:20 – 15:35	Consistency of statistical reporting with the concepts of UNFC and UN-SEEA in Kazakhstan	Georgiy Freiman, National Consultant, Kazakhstan
15:35 – 15:50	Main obstacles to improving energy and mineral resource data quality in Serbia	Radoslav Vukas, National Consultant, Serbia
15:50 – 16:05	Recommendations for the improvement of energy and mineral resource statistics in Kyrgyzstan	Dmitriy Plaksin, National Consultant, Kyrgyzstan
16:05 – 16:20	Quality of the official energy and mineral resource statistics in Bosnia and Herzegovina	Boban Jolovic, National Consultant, Bosnia and Herzegovina
16:20 – 17:00	Strengths and challenges in environmental – economic accounting of energy and mineral resource information in South-eastern Europe and Central Asia	Robert Smith, Midsummer Analytics, Canada
17:00 – 17:20	Unified classification for renewable energies – why it matters and added value	Renewable Energy Working Group (tbc)
17:20 – 17:50	Discussions	All
17:50 – 18:00	Closing Remarks	David MacDonald, BP and Chair, EGRM

End of UNFC and UNRMS Workshop
