  - New targets and target dates established in your country in accordance with article 7 of the Protocol
  - [ ] New
  - [ ] No
  - [ ] IN PROGRESS
  - [ ] Not

- Guidelines for summary reports in accordance with article 7 of the Protocol on Water and Health adopted by the Meeting of the Parties at its second session (Bucharest, 23-25 November 2010)

- Second reporting exercise

- 1. Background and objectives

- The summary reports do not have to contain the situations in different parties. However, for the purpose of providing information to the parties and/or parties of the Protocol, they should be prepared in accordance with the Protocol’s requirements as far as possible.
Activities since last WG-Meeting

- Informal Review Group
- Update of the current reporting template
- Workshop on the collection of good practices and lessons learned
The setting of Targets

Several countries are active
- In setting targets
- Implementation of the targets set
- Revising the targets previously set

Challenges
- Official adoption of targets (approval modalities)
- Publication of targets and communication to the secretariat
Collection of good practices and lessons learned

- Collection of good practices to be submitted to 4th MOP
- Based on the experience of Parties and non-Parties in setting and implementing targets and reporting
- Draft outline of the good practices document
- Working Group is invited to comment and suggest material for inclusion
- Next steps to further develop the good practices document.
TF activities supporting the Setting of targets

➢ National workshops

➢ GLAAS useful for establishing baseline and setting targets

=> The Compliance Committee is ready to assist Parties (through Consultation Process)
To reinforce the implementation of the core provisions of the art. 6 and 7

- Support to set targets
- Promote networking on the regional and subregional levels
- Increase awareness of public participation
- Translation of the SDGs in national targets and action
2017-2019: Linkages to Agenda 2030

The Task Force propose:

- The translation of the SDGs in national targets and action
- Establishment of national roadmaps to fulfil these commitments
- Support establishing linkages with JEM, GLAAS and GEMI
Thank you...
