sector of the Danube Delta**

**Proposal by the Implementation Committee<sup>1</sup>**

This note presents draft decision IS/1f of the Meeting of the Parties to the Convention at its intermediary session (Geneva, 5–7 February 2019) on compliance by Ukraine with its obligations under the Convention with regard to the Danube-Black Sea Deep Water Navigation Canal in the Ukrainian sector of the Danube Delta. As mandated by the Meeting of the Parties at its seventh session (Minsk, 13–16 June 2017), the Implementation Committee prepared the draft decision based on its review of the relevant paragraphs of draft decision VII/2 and taking into account the progress made before, during and after the seventh session. As suggested by the delegation of Ukraine in June 2017, the Committee decided to present the general and the country specific draft decisions in separate documents to facilitate their subsequent consideration and adoption by the Meeting of the Parties.

The Chair of the Committee will present the draft decision for information to the Working Group on Environmental Impact Assessment and Strategic Environmental Assessment. The delegates may wish to present their views on the draft.

<sup>1</sup> The present decision relates to the submission of Romania having concerns about Ukraine's compliance with its obligations under the Convention (reference EIA/IC/S/1). More information on submissions and the follow-up on decisions of the Meeting of the Parties with regard to the submissions can be found at [http://www.unece.org/env/eia/implementation/implementation\\_committee\\_matters.html](http://www.unece.org/env/eia/implementation/implementation_committee_matters.html).

The Committee will finalize the draft decision at its forty-second session (Geneva, 11–14 September 2018) prior to its submission for consideration and adoption by the Meeting of the Parties to the Convention at its intermediary session.

*Having considered* paragraphs 10–16 concerning Ukraine in the report on the activities of the Implementation Committee to the Meeting of the Parties to the Convention at its seventh session<sup>6</sup> and in the reports of the Committee on its thirty-ninth,<sup>7</sup> fortieth<sup>8</sup>, forty-first<sup>9</sup> and forty-second sessions,<sup>10</sup>
