## Draft revised rules of procedure of the Meeting of the Parties

Prepared by the Bureau with the support of the secretariat

### *Summary*

The rules of procedure of the Meeting of the Parties to the Convention on the Protection and Use of Transboundary Watercourses and International Lakes (Water Convention) serviced by the United Nations Economic Commission for Europe were last revised in 2006 and adopted by the Meeting of the Parties at its fourth session (see ECE/MP.WAT/19/Add.1). Amendments to the Convention opening it to accession by all United Nations Member States have since entered into force in February 2013 and became operational on 1 March 2016.

Pursuant to the mandate of the working groups under the Convention to take initiatives to strengthen the application of the Convention, including the preparation of

proposals and recommendations for consideration by the Meeting of the Parties (see ECE/MP.WAT/15/Add.1, annex IV, para. 3), the Working Group on Integrated Water Resources Management at its twelfth meeting entrusted the Bureau, with the assistance of the secretariat, to review past decisions of the Meeting of the Parties (such as the rules of procedure) that would require revisions owing to the Convention's new global nature. This is particularly timely considering that in May 2018 the first country from outside the pan-European region — Chad — will become a Party to the Convention.

This document contains the revised draft rules of procedure of the Meeting of the Parties, taking into account the amended text of the Convention. The text also includes editorial revisions reflecting recent revisions to the United Nations editorial rules. The text shows changes made to the 2006 version of the rules of procedure. Deleted text is indicated as strikethrough and new text is indicated in boldface type. Where the text is already in boldface (i.e., in a title) new text is indicated by plain type and is not in bold.

The Working Group on Integrated Water Resources Management and the Working Group on Monitoring and Assessment at their second joint meeting are invited to review the draft revised rules of procedure and endorse them for submission to the Meeting of the Parties for adoption at its eighth session (Astana, 10–12 October 2018).

3. The Executive Secretary or his/her representative may at any meeting make either oral or written statements concerning any question under consideration.

## **Rule 27**

An officer of a body established by the Meeting of the Parties may be accorded precedence by the Chairperson of the Meeting of the Parties for the purpose of explaining the conclusions arrived at by this body.

During the discussion of any matter, a representative may at any time raise a point of order, which shall be decided immediately by the Chairperson in accordance with these rules. A representative may appeal against the ruling of the Chairperson. The appeal shall immediately be put to the vote and the ruling shall stand unless overruled by a majority of the Parties present and voting. A representative may not, in raising a point of order, speak on the substance of the matter under discussion.

## **Rule 29**

Any motion calling for a decision on the competence of the Meeting of the Parties to discuss any matter or to adopt a proposal or an amendment to a proposal submitted to it shall be put to the vote before the matter is discussed or a vote is taken on the proposal or amendment in question.

## **Rule 30**

1. Without prejudice to paragraph 2 of this rule, proposals and amendments to proposals shall normally be presented in writing and handed to the secretariat, which shall circulate copies to the Parties. As a general rule, no proposal shall be discussed or put to the vote at any meeting unless copies of it have been circulated to delegations not later than 24 hours in advance. The Chairperson may, however, permit the discussion and consideration of amendments to proposals or of procedural motions even though those amendments or motions have not been circulated or have been circulated only the same day.

2. ### **Rule 33**

When a proposal has been adopted or rejected, it may not be reconsidered at the same meeting unless the Meeting of the Parties, by a three-fourths majority of the Parties present and voting, decides in favour of reconsideration. Permission to speak on a motion to reconsider shall be accorded only to the mover and one other supporter, after which it shall immediately be put to the vote.

## **XIV. Voting**

### **Rule 34**

1. The Meeting of the Parties shall make every effort to reach its decisions by consensus, that is the absence of any formal objection by a Party. If all efforts at consensus have been exhausted, and no agreement reached, the decisions — except for amendments to the Convention and its annexes (article 21 of the Convention), to rule 33, to rule 47 and to paragraph 2 of this rule — shall be taken by a majority of the Parties present and voting.

2. Decisions of the Meeting of the Parties on financial matters shall be adopted by consensus of the Parties present.

### **Rule 35**

If two or more proposals relate to the same question, the Meeting of the Parties, unless it decides otherwise, shall vote on the proposals in the order in which they have been submitted. The Meeting of the Parties may, after each vote on a proposal, decide whether or not to vote on the next proposal.

### **Rule 36**

Any representative may request that any part of a proposal or of an amendment to a proposal be voted on separately. If objection is made to the request for division, the Chairperson shall permit two representatives to speak, one in favour of and the other against the motion, after which it shall immediately be put to the vote.

### **Rule 37**

If the motion referred to in rule 36 is adopted, those parts of a proposal or of an amendment to a proposal which have been approved shall then be put to the vote as a whole. If all the operative parts of a proposal or amendment have been rejected, the proposal or amendment shall be considered to have been rejected as a whole.

### **Rule 38**

A motion is considered to be an amendment to a proposal if it merely adds to, deletes from, or revises that proposal. An amendment shall be voted on before the proposal to which it relates is put to the vote and, if the amendment is adopted, the amended proposal shall then be voted on.

### **Rule 39**

If two or more amendments to a proposal are moved, the Meeting of the Parties shall first vote on the amendment furthest removed in substance from the original proposal, then on the amendment next furthest removed there from, and so on, until all amendments have been put to the vote.

### **Rule 40**

Except for elections, voting shall normally be by show of hands. A roll call shall be taken if one is requested by any Party. It shall be taken in the English alphabetical order of the names of the Parties participating in the meeting of the Parties beginning with the Party whose name is drawn by lots by the Chairperson. However, if at any time a Party requests a secret ballot, that shall be the method of voting on the issue in question.

### **Rule 41**

The voting of each Party participating in a vote by roll call shall be recorded in the report of the meeting.

### **Rule 42**

After the Chairperson has announced the beginning of voting, no representative shall interrupt the voting except on a point of order in connection with the actual conduct of voting. The Chairperson may permit the Parties to explain their votes, either before or after the voting, and may limit the time allowed for such explanations. He/she shall not permit the proposer of a proposal or an amendment to a proposal to explain his/her vote on his/her own proposal or amendment, unless it has been amended.

### **Rule 43**

All elections shall be decided by secret ballot, unless, in the absence of any objection, the Meeting of the Parties decides to proceed without taking a ballot on an agreed candidate or slate.

## **XV. Official languages**

### **Rule 44**

The official languages of the Meeting of the Parties shall be English, French and Russian. **Pending availability of resources, interpretation and translation of documents shall be provided in Arabic, Chinese and Spanish, as appropriate.**

### **Rule 45**

1. Statements made during meetings of the Parties in an official language shall be interpreted into the other official languages.
2. A representative may speak in a language other than an official language if he/she provides for interpretation into one of the official languages.

### **Rule 46**

Official documents of the Meeting of the Parties shall be drawn up in one of the official languages and translated into the other official languages.

## **XVI. Amendments to the rules of procedure**

### **Rule 47**

Amendments to these rules of procedure shall be adopted by ~~consensus~~ of the Meeting of the Parties **by consensus**.

## **XVII. Overriding authority of the convention**

### **Rule 48**

In the event of conflict between any provision of these rules and any provision of the Convention, the provision of the Convention shall prevail.
