Dear Mr. Gorelco,

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991) and its Protocol on Strategic Environmental Assessment (Kyiv, 2003).

At its forty-fourth session, held in Geneva from 12 to 15 March 2019, the Committee considered the general and specific compliance issues identified in the Fifth Review of Implementation of the Convention (ECE/MP.EIA/2017/9), based on questionnaires returned by Parties.

The Committee noted that in the response to the questionnaire (question 1.22), the Republic of Moldova reported not having relevant provisions in its national environmental impact assessment legislation requiring the organization of public hearings as an affected Party.

At the request of the Committee, I am now writing to you to ask the Government of the Republic of Moldova to provide clarifications on how the Republic of Moldova as an affected Party ensures public involvement in the environmental impact assessment procedure under articles 3 (8) and 4 (2) of the Convention.

Mr. Dumitru Gorelco  
Focal Point for Administrative Matters regarding the Espoo Convention  
Ministry of Agriculture, Regional Development and Environment  
Chisinau

cc: Maria Nagorny, Ministry of Agriculture, Regional Development and Environment
You are kindly invited to provide the requested information through the secretariat by 1 June 2019 to enable the Committee to continue its consideration of the matter at its forty-fifth session (Geneva, 10–13 September 2019).

Yours sincerely,

Romas Svedas
Chair of the Implementation Committee
