REGARDING INFORMATION CONCERNING THE ENVIRONMENTAL IMPACT ASSESSMENT FOR THE CONSTRUCTION OF THE NUCLEAR POWER PLANT IN LITHUANIA

We would like to inform that on 21 April 2009, the Ministry of Environment of Lithuania made a decision No. (1-15)-D8-3504 on the feasibility to construct Visaginas nuclear power plant with due respect to its environmental impacts.

Final English version of environmental impact assessment (EIA) report can be obtained from the Internet (http://www.vae.lt/en/pages/environmental_impact_assessment). This version of EIA report includes the amendments and corrections which were required by Ministry of Environment of Lithuania, the relevant parties of EIA. This report also includes the answers to the comments of the affected parties. The hard copy of EIA report will be submitted to Espoo Convention's points of Contact by the developer (close company „Visagino atominė elektrinė“).

Herewith please find enclosed the aforementioned decision (5 pages) together with the unofficial English (6 pages) or Russian (6 pages) translation.

Yours faithfully,

Dr. Aleksandras Spruogis
Undersecretary of the Ministry
