

JOINT MEETING OF THE EXTENDED BUREAU OF EMEP STEERING BODY AND THE EXTENDED BUREAU OF THE WORKING GROUP ON EFFECTS

To be held via web-conference, 24 – 26 March 2020

PROVISIONAL AGENDA

Note from the chairs:

- **The virtual meeting will be supported by the TEAMS web conference system. Instructions for connection and recommendations to facilitate participation to the meeting will be sent in a dedicated message.**
- **Note that we have shortened the original agenda: 3 half-days. Therefore, presentations will kindly ask you to keep your presentations short and focused on key messages or sensitive issues you would like to raise**
- **We will start the discussions about the revision of the WGE and EMEP strategies by a tour de table. We ask each group to prepare two slides that will be presented 1) about the achievements regarding the implementation of the current strategies 2) about future priorities.**

Tuesday, 24 March,

Connection to TEAMS will start at 13:35

EMEP specific issues

1. Welcome and Organizational issues
2. Progress in the 2020-2021 work plan
 - Emission inventories and adjustment procedure (CEIP, TFEIP)
 - Measurements and Modelling (TFMM, CCC, MSC-West, MSC-East)
