**Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by Spain with the provisions of the Convention on public participation in connection with the updating of environmental permits (ACCC/C/2014/122)**

Dear Ms. Marshall,

After having analyzed the draft findings of the ACCC on the communication ACCC/C/2014/122 (Spain) which IIDMA filed, we do not plan to send any comments. The findings satisfy our request to the Committee.

Kind regards,
