Tirana Municipality inaugurates Artificial Lake Park playground

01/06/2016 00:00

The Municipality of Tirana inaugurated the new playground at the Tirana Artificial Lake Park.

Mayor Vellaj said that the images offered by the park and the large crowd of children are the best referendum.

"Time had come for such a park in the Albanian capital", Mayor Vellaj said while children were celebrating.

"This is what I had promised three months ago. No cafe were built, no tree was cut, I want to wish all the children of Tirana a happy June 1st. This is a gift from the Municipality of Tirana", Vellaj said.
