FIRST SKETCH

CHILDREN'S PLAYGROUND OF THE
LAKE PARK
TIRANA, ALBANIA

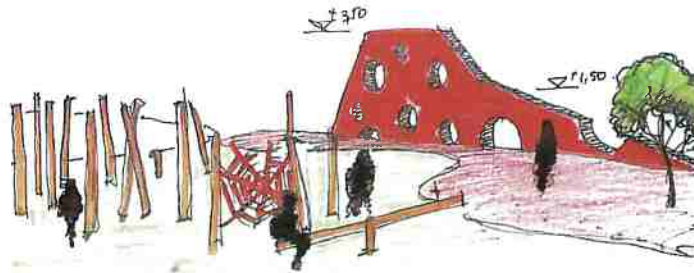

The children's playground is one of the five pilot projects of the Grand Lake Park Masterplan.

This area is well connected with other new functions proposed for the park as: a new cafe for parents, a floating pool, a boat club and the Firefly swarm (a light installation).

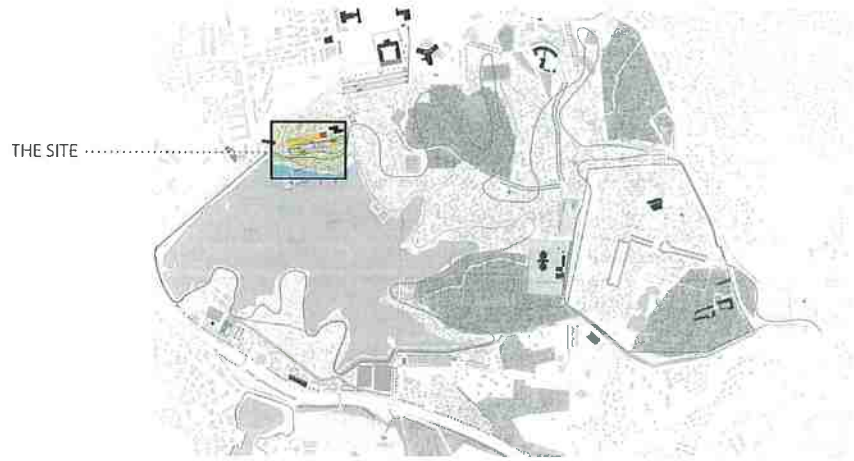

Planned September 2015
Status Ongoing
Category Landscape / Urban planning
Volume 4 000 sqm (43 057 sqf)
Client Municipality of Tirana
Studio Atelier 4 / Bolles+Wilson
Position Architect/Designer-Schematic Design, Design Development and Construction Documents Phase

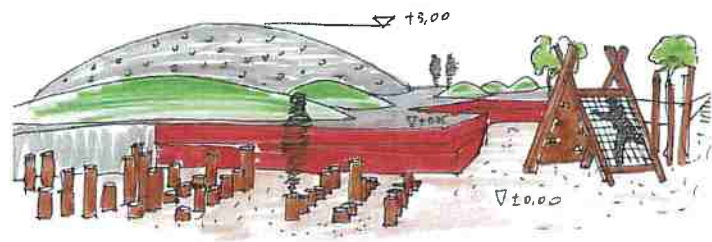

SKETCHES

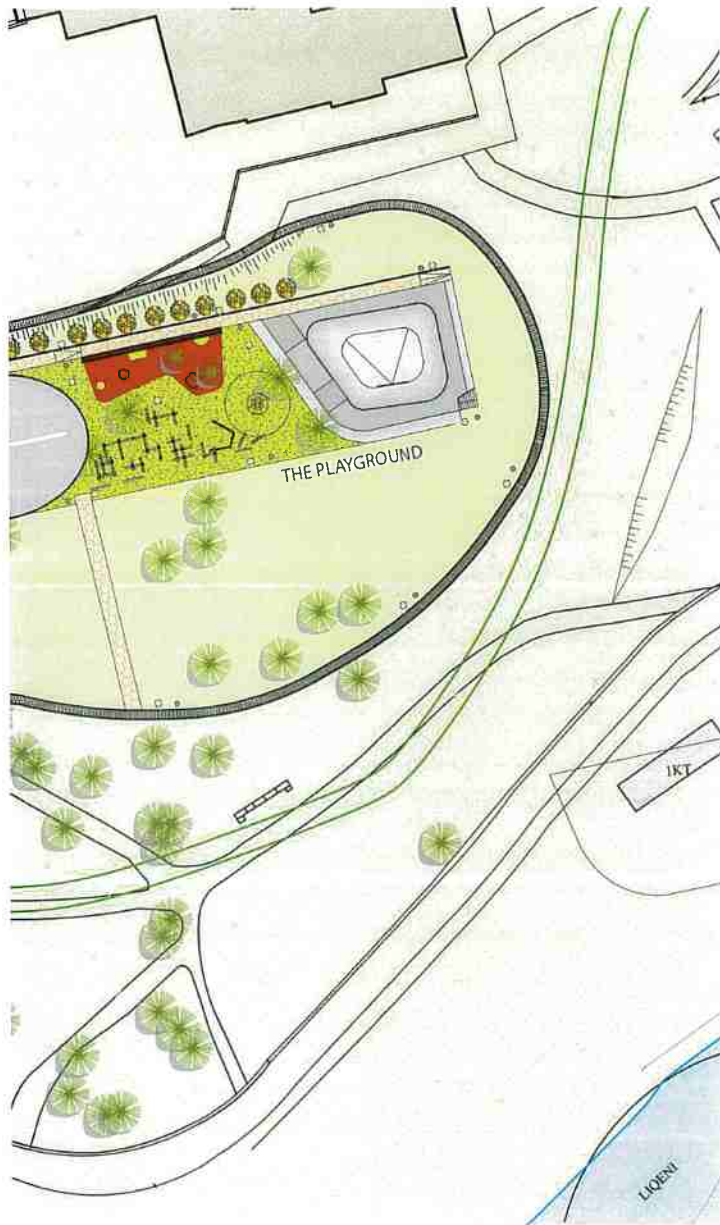

LOCATION IN MASTERPLAN

The site selected for the playground has a central location in the park, easily accessible from the main entrance. It is designed as a strip, parallel to the existing promenade and surrounded by a miniature train.

The children's playground is designed as a platform for different games and activities for children between ages 1 and 14 years old.
