STATEMENT 2. - PUBLIC PARTICIPATION

The Ministry of Agriculture and Environmental Protection of the Republic of Serbia had activities regarding the public participation in the early stage of preparation of the first draft of Law on environmental liability. The draft was not finally prepared and all options were opened. We wanted to get information from the public concerned about the best formulation of the Draft’s provisions and best solutions. The first public consultations on the draft of Law on environmental liability were held with Economic Operators, NGOs, and public concerned in the Chamber Commerce of Serbia on 16th March 2015 in Belgrade. The second Public consultations for Economic Operators, NGOs, and public concerned on the Draft of Law on the Environmental Liability were held in Aarhus center of the city of Novi Sad on 24th April 2015, with support of the PLAC project. The third Public consultations for Economic Operators, NGOs, and public concerned on the Draft of Law on the Environmental Liability were held, in cooperation with Aarhus center of the South and East Serbia, in the Chamber of Commerce of the city of Nis on 19th May 2015, with support of the PLAC project. The fourth Public consultations for Economic Operators, NGOs, and public concerned on the Draft of Law on the Environmental Liability were held, in cooperation with Aarhus center of the city of Kragujevac, in the Chamber of Commerce of the city of Kragujevac on 20th May 2015, with support of the PLAC project. These public consultations on the Draft of Law on environmental liability helped us to get the best solutions in the formulating the Draft’s provisions.
