Let's get moving for the Sustainable Development Goals (SDGs)! The Forum of Mayors 2020 will bring together mayors and diplomats on a football field. City leaders and Geneva-based ambassadors will team-up to get the ball rolling for the Decade of Action to deliver the SDGs. The match will take place at the Palais des Nations (Geneva, Switzerland) – the grass field normally reserved for peacocks will turn into a playing field for sporty policymakers and tactical diplomats.

**COVID-19 alert:** In order to ensure compliance with social distancing rules, the match will take place in the form of penalty kicks only.

**Captain of Ambassadors United:**
Walter Stevens, Head of EU Delegation to the UN in Geneva

**Captain of Mayors United:**
