Strengthening National Capacities for Sustainable Housing,
Urban Development and Land Management: Third Regional Meeting

15:00, 9 March, 2017, Geneva, Switzerland

Agenda

On invitation only

Organizer: United Nations Economic Commission for Europe

Venue: Palais des Nations, Room VII

Languages: English, Russian with simultaneous translation

The two joint UNECE/UN-Habitat capacity building projects “Strengthening national capacities for sustainable housing in selected countries with economies in transition” (Armenia, Republic of Moldova, Serbia and Tajikistan) and “Evidence-based policies for sustainable housing and urban development in selected countries with economies in transition” (Albania, Georgia, Kyrgyzstan, Ukraine) aim to support sustainable housing, urban development and land management by assisting national governments in the formulation and implementation of relevant and evidence based policies and by developing National Action Plans for Sustainable Housing.

This meeting with the national stakeholders, government representatives of land administration authorities, will discuss:

1) Projects’ objectives and strategies;
2) Projects’ implementation and related activities of the countries-beneficiaries;
3) Further planning of the advisory missions and national workshops.
