

**An international workshop**

**“The Compact City:  
A Model for Sustainable Urban Development and Green Growth?  
Learning from Best Practices”**

**Time and date:** 9:30 – 13:00, 14 June 2012

**Place:** OECD Conference Room (CC5), Paris, France

**Organiser:** OECD

**Partners:** The World Bank, L'Institut d'Aménagement et d'Urbanisme de la Région d'Île-de-France (IAU-ÎDF), United Nations Economic Commission for Europe

**Objectives:** This international joint workshop, following the launch of the report "Compact City Policies: A Comparative Assessment", aims to share the key policy and governance practices for compact city, and to evaluate what can be learned from them. It consists of two sessions: policy instruments and metropolitan governance. In each session, the OECD secretariat will present the policy and governance practices identified in the case studies of the OECD report. Then policy makers and experts will present their own experiences, share knowledge and discuss the best practices for compact city in diverse urban contexts.
