

## National SEEA Implementation Plans

### Results of the Survey to prepare Session 1 of the Joint OECD/UNECE Seminar on SEEA Implementation

21-22 February 2018, Geneva

Michael Nagy, UNECE  
Pierre-Alain Pionnier, OECD

## Purpose and response rate

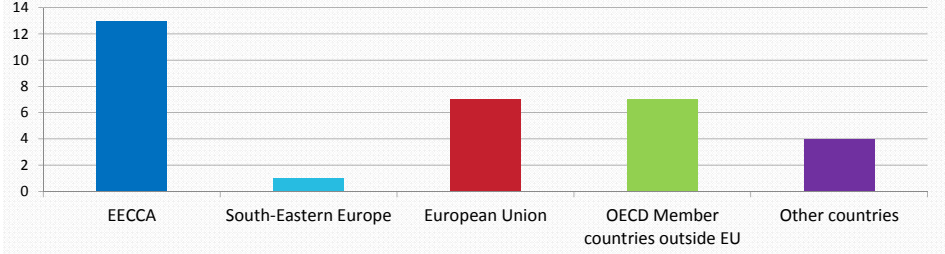

### Purpose of the survey

- Identifying the main challenges and main priorities for SEEA implementation by 2020 and 2025

### Response rate

- 58 registered participants of NSOs and other governmental institutions received the survey, 32 replied, 75% of respondents represent NSOs

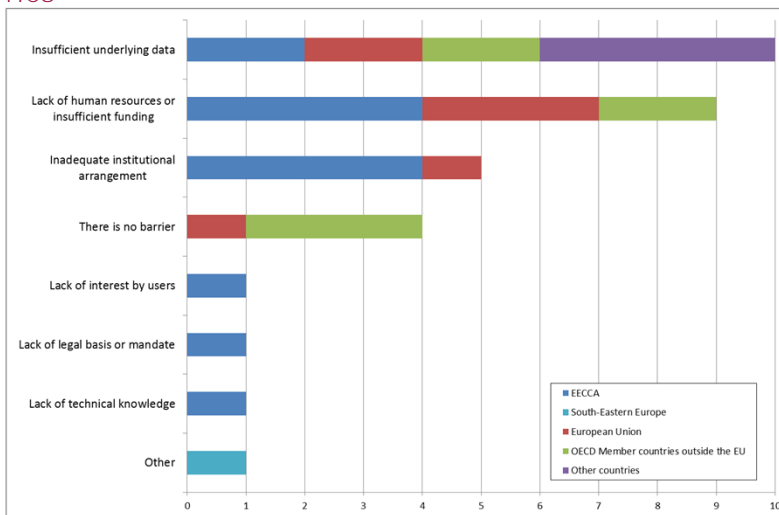

Region	Response Rate
EECCA	13
South-Eastern Europe	1
European Union	7
OECD Member countries outside EU	7
Other countries	4

2

### What is your single most important barrier to the compilation/expansion and publication of any SEEA account?

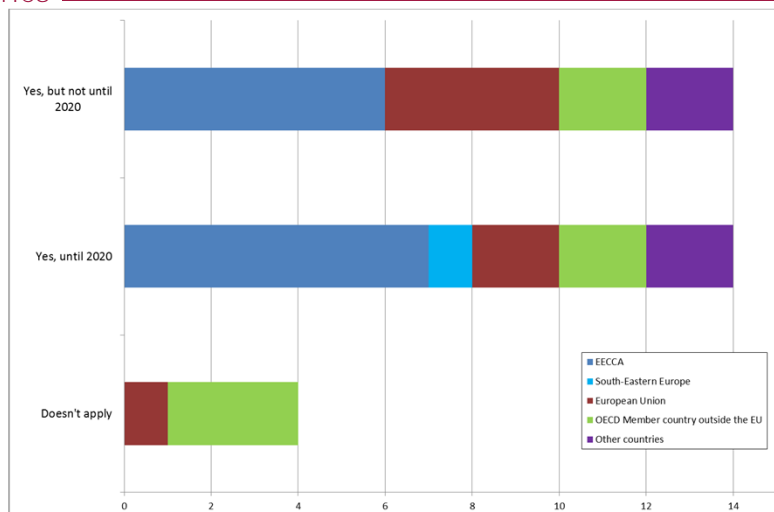

STATISTICS

3

### Assuming that this single most important barrier would be removed, would it be possible for your country to compile/expand SEEA accounts?

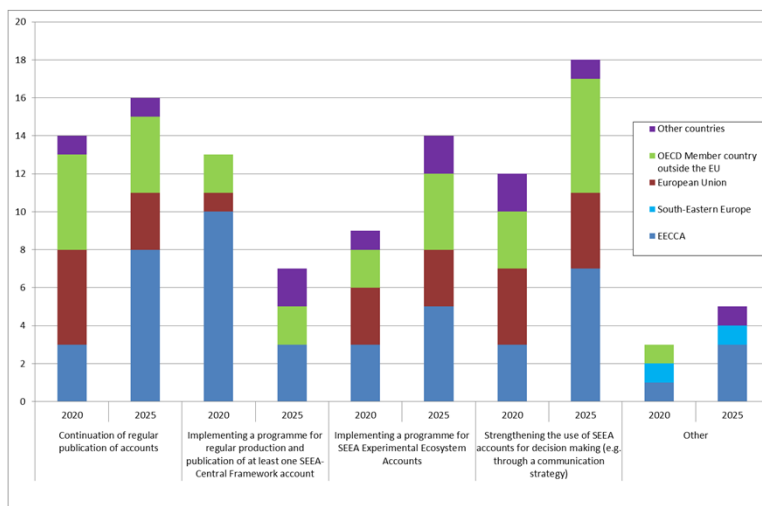

STATISTICS

4

## What are your SEEA implementation priorities until 2020 and until 2025?
