

COMMITTEE ON FORESTS AND THE FOREST INDUSTRY
5-9 NOVEMBER 2018 | VANCOUVER | CANADA
BUILDING THE FUTURE WITH FORESTS

Ms. Helen Goodland

Helen Goodland is the managing principal of Brantwood Consulting to which she brings over 30 years of experience working on transformative solutions for the real estate and construction industries in Canada and around the world.

She is co-founder of Building Technology Innovations through which she provides advice and mentorship to start-ups focused on the construction industry. She is also an executive in residence for the BC Tech Association and she serves on the National Zero Waste Council's construction taskforce.

Helen is an architect registered in the UK and has an MBA from the University of BC. She is also one of the BC Sustainable Energy Association's climate action heroes and has been nominated as a YWCA Woman of Distinction. In 2017, she received the Vancouver Regional Construction Association/s Outstanding Woman in Construction Award.
