

**COMMITTEE ON FORESTS AND THE FOREST INDUSTRY**  
5-9 NOVEMBER 2018 | VANCOUVER | CANADA  
BUILDING THE FUTURE WITH FORESTS

## Dr. Zuzana Sarvašová

Zuzana Sarvašová, Ph.D. works as a senior researcher at the department of Forest Policy, Economics and Forest Management, National Forest Centre in Slovakia since 2003. Her main interests are forest policy instruments and their implementation and evaluation analysis. She is a member of expert group on Valuation of and payments for forest ecosystem services, representing Slovakia in pan-European process Forest Europe. She was leading several working packages dealing with cross sectoral relationships of forestry with rural development and nature conservation in frame of international and national research projects. She is a co-author of two EFI/FAO Forestry Policy and Institutions Working Papers on Forest Owners' Organizations in Eastern European Countries and recently she has led chapter Organization of private ownership of the UNECE/FAO/COST FACESMAP study on Forest Ownership in the UNECE Region.
