

ANNEX II. Terms of references

Terms of Reference of The Ad Hoc Team of Specialists on Standardization and Regulatory Techniques (START Team)

A. Establishment of the START Team

1. The establishment of the START Team was suggested at the UNECE International workshop on implementation and use of international standards (18 May 1999, Geneva) which was organized in conjunction with the ninth session of the Working Party on Technical Harmonization and Standardization Policies (17-19 May 1999, Geneva). The Working Party supported and approved this proposal. The establishment of the Team was endorsed by the third session of the UNECE Committee for Trade, Industry and Enterprise Development (8-10 June 1999).

B. Objectives

2. The general task of the Team is to contribute to the activities of the Working Party on Regulatory Cooperation and Standardization Policies (WP.6) aimed at creating conditions conducive to the development and promotion of global trade and economic cooperation.

3. The specific task of the Team is to examine the possibilities for reducing non-tariff barriers to trade by limiting the content of related regulations to the essential requirements for meeting regulatory objectives and using reference to international standards as the preferred means for setting out detailed requirements, including conformity assessment requirements.

4. The Team works under the guidance of the UNECE Working Party on Regulatory Cooperation and Standardization Policies (WP.6), in accordance with terms of reference adopted by WP.6 and reports to it. Any reports and recommendations of the Team have preliminary and unofficial character and are subject to endorsement by WP.6.

C. Composition of the Team, its membership and participation in its meetings

5. The Team is composed of experts with the collective expertise to address the specific task defined for it.

6. The Team is composed of the members of the enlarged Bureau of the WP.6 (including coordinators and rapporteurs) and of specialists appointed by UNE member-states and invited by the Team.

7. The Team is open to participation by experts from interested United Nations Member States and international organizations as well as to representatives of the private sector as observers in their personal capacity. The Team works on the understanding that final recommendations and proposals of the Team will be endorsed by the Working Party 6 as an inter-governmental body.

8. The Team can establish sub-groups of specialists to prepare projects requiring specific expertise, which are expected to become a part of general activities of the Team.

9. The UNECE secretariat provides necessary support to the Team and its sub-groups within available resources.

D. Reporting

10. The Team reports to the Working Party on Regulatory Cooperation and Standardization Policies. The Group works on the understanding that its final proposals or recommendations will be decided by the WP.6 as an intergovernmental body.
