ECONOMIC COMMISSION FOR EUROPE

Administrative Committee for the TIR Convention, 1975

**REPORT OF THE ADMINISTRATIVE COMMITTEE FOR THE
TIR CONVENTION, 1975 ON ITS THIRTY-THIRD SESSION
(24 and 25 October 2002)**

Corrigendum 1

OTHER PROPOSALS FOR AMENDMENTS TO THE CONVENTION

(c) Deletion of Explanatory Note 0.38.1 of Annex 6

Modify paragraph 58 as follows:

“58. The Administrative Committee noted that the amendment procedure in accordance with Article 60 of the Convention would apply. It decided, in this context, that the Secretary-General of the United Nations should be notified of objections to the amendment proposal not later than 7 August 2003 and that, unless there were a sufficient number of objections, the amendment would enter into force on 7 November 2003.”

[Note by the secretariat: the purpose of this clarification is to respect the procedure set out in Article 60 of the Convention, which stipulates that the Administrative Committee should determine, at the same time, a date for a proposed amendment to enter into force and a prior date by which the period for notification of objection to that proposed amendment expires. When deciding on the

deletion of Explanatory Note 0.38.1, the Administrative Committee decided to apply a six-month deadline for notification of objection, without specifying neither the applicable date nor the date by which the deletion would enter into force (see TRANS/WP.30/AC.2/67, paragraph 58). The aim of the modification in the text of paragraph 58 is to remedy this omission. The text of the paragraph in its modified form reflects the decision by the Administrative Committee at its thirty-fifth session (TRANS/WP.30/AC.2/71, paragraph 22].
