Procedure for Contracting Parties to join a project

Background:
- UNECE and IRU signed a 5-years cooperation MoU on 6 October 2017
  - Is the legal basis to cooperate on TIR computerization projects
  - The objective is to move towards the full computerization of the TIR procedure in a standard way

Procedure:
1. Customs inform of their willingness to participate to a project by sending a Letter of intent to join a TIR computerization project, either to UNECE or to IRU organisations.
2. UNECE/IRU send to Customs the Main Principles of the computerization projects
3. Customs have to agree with the main Principles in writing, and nominate one contact person.
   - If required, the Contracting Party may add in annex some information specific to its National requirements, such as data confidentiality etc
