Economic Commission for Europe

Inland Transport Committee

Working Party on Customs Questions affecting Transport

129th session

Geneva, 4–7 October 2011

Item 11 of the provisional agenda

Programme of work and biennial evaluation

Programme of work for the years 2012–2016

Note by the secretariat

I. Introduction

1. The text of the Programme of Work reproduced below is based on the Programme of Work for 2010 to 2014 (ECE/TRANS/WP.30/2010/7), as approved by the Working Party at its 124th session (ECE/TRANS/WP.30/248, para.36) and subsequently by the Inland Transport Committee at its seventy-second session (ECE/TRANS/2010/8).

2. At its seventieth session in 2008 the Inland Transport Committee (ITC) required its subsidiary bodies to examine their programmes of work every two years. Such arrangement, however, would not exclude the possibility for the Committee's subsidiary bodies to modify their respective programmes of work annually if there was a need to do so (ECE/TRANS/200, para. 120).

3. The Working Party may wish to examine its draft programme of work for 2012–2016 and, in particular, the continued relevance of priorities assigned to individual work elements and the expected outputs identified for this period.

II. Draft Programme of Work for 2012–2016

Programme activity 02.10: Customs questions affecting transport

Harmonization and simplification of requirements for border crossing procedures concerning modes of inland and intermodal transport.

Description:

(a) Preparation and implementation and, where appropriate, review and modification of international legal instruments.

(b) Simplification and harmonization of administrative formalities, documents and procedures.

Work to be undertaken: The Working Party on Customs Questions affecting Transport will pursue the following activities:

A. Continuing activities

- 1. Review of relevant Conventions and Agreements on border crossing facilitation under the auspices of the Working Party in order to ensure their relevance and proper implementation as well as coherence with other international or sub-regional treaties and to keep them in line with modern transport and border control requirements.**

Priority: 1

Outputs expected:

- Analysis of the application of the following United Nations Economic Commission for Europe (UNECE) Conventions on border crossing facilitation: TIR Convention 1975; International Convention on the Harmonization of Frontier Controls of Goods 1982 (Harmonization Convention); International Convention to Facilitate the Crossing of Frontiers for Passengers and Baggage carried by Rail 1952; Customs Conventions on the Temporary Importation of Private (1954) and Commercial (1956) Road Vehicles;
- Finalization and endorsement of a new Annex 9, Part III to the TIR Convention which would introduce conditions and requirements for an authorized international organization;
- Preparation and adoption of comments and best practices for the application of the Customs Convention on the Temporary Importation of Commercial Road Vehicles (1956);
- Monitoring the progress made in the formal acceptance of a Protocol to the International Convention to Facilitate the Crossing of Frontiers for Passengers and Baggage Carried by Rail, 1952, which would introduce amendment clauses to this Convention.

- 2. Promote the possible extension of relevant United Nations Economic Commission for Europe Conventions on border crossing facilitation to other regions, particularly relating to legal and administrative aspects.**

Priority: 2

Output expected:

- Preparation and organization of regional and/or national workshops, possibly in cooperation with United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP), United Nations Economic Commission for Africa (UNECA) and United Nations Economic and Social Commission for Western Asia (UNESCWA) and other relevant UN and international organizations, on the implementation of relevant UNECE Conventions on border crossing facilitation, in particular in Asia, North Africa and the Middle East.

3. **Study of Customs questions with a view to simplifying Customs formalities and documents in the field of transport, in particular taking account of the possibility of electronic data interchange solutions.** Priority: 1

Output expected:

- Continuation of work on computerization of the TIR procedure (eTIR project) with a view to finalization of Chapter 3 and 4 of the eTIR Reference Model and conducting a cost-benefit analysis of eTIR;
- Monitoring the implementation of the functioning of various national and international TIR-related electronic data interchange (EDI) systems.

4. **Study of specific legal and other measures to combat fiscal fraud resulting from simplified Customs and other border crossing procedures, such as the TIR regime, including periodic review of the status of implementation of resolution No. 220 (prevention of the abuse of Customs transit systems by drug smugglers). Setting-up of mechanisms and administrative procedures for the regular exchange of information with other Governmental and non-governmental organizations to combat such fraud.** Priority: 2

Outputs expected:

- Preparation of adequate instruments and measures to improve international cooperation among Contracting Parties to the TIR Convention, 1975 and concerned national and international organizations to prevent fraud;
- Exchange of intelligence among Customs authorities of Contracting Parties to relevant UNECE Conventions on border crossing facilitation on abuses with a view to identifying measures to combat such occurrences.

5. **Analysis of difficulties encountered relating to border crossing formalities with a view to devising administrative procedures eliminating such difficulties. The analysis will cover health, phytosanitary, veterinary and quality controls, application of standards, public safety controls, etc., including the promotion of the implementation and extension of the scope of the International Convention on the Harmonization of Frontier Controls of Goods of 1982 (Harmonization Convention).** Priority: 1

Outputs expected:

- Continued monitoring of the implementation of Annex 8 to the “Harmonization Convention” on the facilitation of road border crossing at the national level. Exchange of information on best practices in this field.
- Promotion of a new Annex 9 to the “Harmonization Convention” on the facilitation of border crossing procedures for international rail freight in cooperation with the Working Party on Rail Transport (SC.2) and other stakeholders.

B. Activities of a limited duration

6. **Consideration, in cooperation with the World Customs Organization, of the possibility to introduce a reference to International Organization for Standardization (ISO) Standard 1496 in the text of both the Container Convention, 1972 and the TIR Convention, 1975.** Priority: 2

 7. **Monitoring of the application of the TIR Convention in the Customs Union of Belarus, Kazakhstan and the Russian Federation with a single Customs territory.** Priority: 1
-
