Dear Sir or Madam,

Following the discussion on transitional provisions for the dimensions of markings required under 5.2.1.1 (see Report of the Joint Meeting of the RID Committee of Experts and the Working Party on the TDG on its autumn 2013 session) Germany has decided to propose the above mentioned Multilateral Agreement M273 concerning the marking of gas cylinders.

For your information please find enclosed the letter to the ADR Contracting Parties and the proposed agreement.

Yours sincerely

For the Ministry

Silvia Prinz
