**B. JUSTIFICATION**

The secretariat received a letter signed by the Secretary of the National Standards Body of Belarus requesting the above-mentioned amendments with the following justifications.

Re. para 5.10.:

The current wording is a variant of paragraph 7.9. of Regulation No. 73, which applies to N2, N3, O3 and O4 vehicles. Therefore it is necessary to amend the paragraph as mentioned.

Re. paras 8. and 9.:

To specify more clearly that tests are held on case of request on basis of Part II of the Regulation.

Re. annexes 1B and 1B:

To distinguish which Part of the Regulation is applied.
