OTHER BUSINESS

Application for consultative status by the  
European Battery Recycling Association (EBRA)

Note by the secretariat

1. The secretariat has received an application from the European Battery Recycling Association (EBRA) for consultative status with the Sub-Committee of Experts on the Transport of Dangerous Goods.
  2. Amongst other issues, EBRA is interested in the question of used portable batteries, classified as hazardous wastes or not.
  3. EBRA has also set up a working group to make proposals regarding the specific case of the transport of used lithium batteries.
  4. More detailed information on EBRA may be found in informal document INF.3 and on EBRA web site ([www.ebrarecycling.org](http://www.ebrarecycling.org)).
  5. The Sub-Committee is invited to decide whether EBRA may participate in its work with a consultative status.
