Editorial corrections to the proposal for Supplement 30
to the 03 series of Amendments to Regulation No. 37 (Filament lamps)

a) Corrigendum to document ECE/TRANS/WP.29/2007/64

Page 4, sheet H6W/1, the table, first column, second line:
Replace "E" by "e"

Page 6, sheet H21W/1, the table, last column, last line, referring to 13.5 V:
Add below "White 600 lm" a new line "Amber 300 lm"

Page 11, sheet HS6/4, footnote 18/, read at the end:
"….and those in the right-hand columns to the passing-beam filament"

b) Corrigendum to document ECE/TRANS/WP.29/2007/64/Add.1

Page 4, after footnote ****/ and in front of the list of sheet numbers, insert:
"The list of sheets for filament lamps and their sequence amend to read:"
