A. PROPOSAL

Paragraph 3.1.10. amend as follows:

"3.1.10. In cases where …:

…

S = number of adult seating and standing positions excluding the driver's position
X = paymass = P – (R+S x 68)"

Paragraphs 4.2.2. and 4.2.3.

The terms between square brackets should be deleted.

B. JUSTIFICATION

Will be orally given during the meeting.
