

**INDIA'S COMMENTS ON NEW PROPOSAL FOR DRAFT AMENDMENTS TO
REGULATION No. 48 VIDE ECE/TRANS/WP.29/GRE/2008/17**

India suggests modification in the current text of the Regulation 48 (additions marked in **bold** characters).

A. PROPOSAL

6.9.5. Geometric visibility

6.9.5.1. Horizontal angle for the two position lamps:

45° inwards and 80° outwards. **The value of 45° maybe reduced to 20° under the HH line.**

In the case.....

6.9.5.2. For on the vehicle.

Horizontal angle: 45° outwards to 45° inwards. **The value of 45° maybe reduced to 20° under the HH line.**

Vertical angle: 15°.....

B JUSTIFICATION

The proposed amendment for geometric visibility for direction indicator lamp in ECE/TRANS/WP.29/GRE/2008/16 has been reflected for amending ECE R 48 in the proposal ECE/TRANS/WP.29/GRE/2008/15.

However, the proposed amendment for geometric visibility of front position lamp in ECE/TRANS/WP.29/GRE/2008/17 has not been reflected for amending ECE R 48 in the proposal in ECE/TRANS/WP.29/GRE/2008/15. India feels that to implement this proposal to revised geometric visibility as per ECE/TRANS/WP.29/GRE/2008/17, it is necessary to amend ECE R 48, cl. No. 6.9.5.also.
