Proposal for Corrigendum 1 to Supplement 10 to Regulation No. 98

A proposal from GTB to amend Regulation 98 to incorporate LED modules was adopted and became supplement 9. Subsequently GTB submitted GRE-2007-44 which was converted to WP29-2008-31 which was adopted and became supplement 10. During the process of developing supplement 10, the provisions in annex 4 were inadvertently changed and reversed the text previously agreed and adopted in supplement 9.
