

Proposal for draft amendments to Regulation No. 107

A. PROPOSAL

Annex 1, part 1, Appendix 1 (Model information document)

Point 5.11. - should be deleted

Point 5.11.1 - should be deleted

Annex 1, part 1, Appendix 2 (Model information document)

Point 5.10. - should be deleted

Point 5.10.1 - should be deleted

Annex 1, part 1, Appendix 3 (Model information document)

Point 4. - should be deleted

Point 4.1 - should be deleted

Annex 1, part 2, Appendix 1 (Communication)

Point 1.12. - should be deleted

Annex 1, part 2, Appendix 2 (Communication)

Point 1.8. - should be deleted

Point 1.8.1 - should be deleted

Annex 1, part 2, Appendix 3 (Communication)

Point 1.4. - should be deleted

Point 1.4.1 - should be deleted

Annex 3

Paragraph 7.3 - (reserved)

B. JUSTIFICATION

There is an exclusive Regulation about the superstructure of M2 and M3 vehicles in the 1958 Agreement: Regulation No. 66. It has its own scope and the inclusion of a requirement of compliance in Regulation No. 107 seems redundant.

Moreover, annex 5 is reserved in the R.107.02 and has no prescriptions about the superstructure.
