

Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals

Sub-Committee of Experts on the Transport of Dangerous Goods

29 June 2010

Thirty-seventh session

Geneva, 21–30 June 2010

Item 5 of the provisional agenda

Miscellaneous proposals of amendments to the Model Regulations on the Transport of Dangerous Goods

Meeting on used lithium batteries transport Brussels 1 Sept 2010

1. PRBA and RECHARGE would like to confirm their willingness to organize a one-day workshop on the transport regulation of used lithium batteries.
2. This workshop will be organized in Brussels on September 1st, 2010.
3. The objective of the meeting is to respond to the invitation of the sub-committee to send comments to Germany on this pending issue of the transportation regulation of used lithium batteries.
4. The result of the meeting should be a set of practical recommendations to be submitted to the next Sub-Committee of late November-early December 2010.
5. The preliminary agenda of the meeting is presented below:
6. Preliminary Agenda
 - Inventory of the types of Lithium batteries / Chemistries / Applications
 - Inventory of the existing regulation
 - Review of current packaging and shipping practices for used lithium batteries and mixed batteries and at different locations (e.g., retail, consolidators, recyclers)
 - Missing pieces of regulation
 - Proposals for filling the gaps.
 - Recommendations/Conclusions
7. The location of the meeting is indicated below:
