

WLTP-DTP Subgroup Membership

Subgroup Structure:

- Membership open to all contracting parties and to industry
- Each subgroup to identify a lead and co-lead.
 - Lead and co-lead should be complimentary: One from a contracting party and one from industry.
 - Proposals for leadership have been received
- Leadership will be responsible for establishing meetings, tracking progress and open issues, and reporting at the DTP working meetings.
- Members must be experts in their respective subgroup assignments.
