

Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals

Sub-Committee of Experts on the Transport of Dangerous Goods

9 June 2011

Thirty-ninth session

Geneva, 20–24 June 2011

Item 11 of the provisional agenda

Other business

Reception by NGOs

Note by the secretariat

The secretariat has been invited by the representative of SAAMI to circulate the invitation below:

"The non-governmental organizations in consultative status are pleased to announce that a reception will be held in conjunction with the thirty-ninth session of the Sub-Committee of Experts on the Transport of Dangerous Goods. This opportunity for all delegates to the UN/SCETDG to meet socially is an important element in promoting the friendly way in which we conduct our business. It is a great chance to meet informally beyond the time constraints of the meetings. All delegates are invited and encouraged to attend.

The reception will take place on Wednesday June 22, 2011 directly after the meeting at 17:45 until around 19:30. The location will be the Restaurant de l'ONU on the 8th floor of the Palais. Cross your fingers for nice weather so we can enjoy the balcony and the beautiful view of Mont Blanc. Beverages and hors d'oeuvres will be provided. Delegates may wish to plan their dinner separately after the reception.

The following organizations and companies are recognized for their generous support: Institute of Makers of Explosives (IME), European Aerosol Federation (FEA), International Paint and Printing Ink Council (IPPIC), Mauser Corporation, Portable Rechargeable Battery Association (PRBA), Sporting Arms & Ammunition Manufacturers' Institute (SAAMI), Labelmaster, Praxair, SGCI – Chemie Pharma Schweiz, Compressed Gas Association (CGA), Council on the Safe Transport of Hazardous Articles (COSTHA), Dangerous Goods Advisory Council (DGAC), European Industrial Gases Association (EIGA), Fuel Cell & Hydrogen Energy Association (FCHEA), International Vessel Operators of Dangerous Goods Association (IVODGA), and Riskom."
