

**OICA comments on GRE-65-01**  
**(Proposal for Corrigendum 2 to the 05 series amendment to Regulation No. 48)**

This proposed amendment is submitted by the expert from OICA in order to amend the informal document GRE-65-01. The modifications to the current text of the regulation, including GRE-65-01, are marked in bold for new or strikethrough for deleted characters.

**I. Proposal**

*Paragraph 12.25*, amend to read:

~~“12.25. — Until 48 months after the date of entry into force of the 05 series of amendments to this Regulation, no Contracting Party applying this Regulation shall refuse national or regional type approval of a vehicle type approved to the preceding series of amendments to this Regulation.~~

12.265. Existing approvals **granted** under this Regulation before the date of entry into force of the 05 series of amendment to this Regulation shall remain valid ~~indefinitely~~ **and Contracting Parties applying this Regulation shall continue to accept them.**”

**II. Justification**

If paragraph 12.25 is deleted as proposed in informal document GRE-65-01, OICA deems necessary improving the resulting new paragraph 12.25 as proposed above for the sake of clarity. The proposed wording reflects the current Guidelines on administrative provisions WP.29/2011/48.
