Informal Document № GRSG-101-17
(101st GRSG, 18-21 October 2011
Agenda item 2 (a))
Original: English

Proposal for draft corrigendum to the UNECE Regulations № 107 (M₂ and M₃ vehicles)

I. Proposal

Annex 4, Figure 11b ,

For “15 cm min” read “**150 mm min**”

For “30 cm min” read “**300 mm min**”

For “60 cm max” read “**600 mm max**”

For “70 cm min” read “**700 mm min**”

II. Justification

All linear dimensions in the Regulations № 107 (except for the Figure 11b of Annex 4) are indicated in millimeters (mm) or in meters (m), but not in centimeters (cm).
