

## **Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals**

**Sub-Committee of Experts on the Transport of Dangerous Goods**

**29 November 2012**

### **Forty-second session**

Geneva, 3 – 11 December 2012

Item 12 of the provisional agenda

### **Other Business**

## **Reception by NGO's**

### **Note by the secretariat**

#### **The secretariat has been invited by the representative of SAAMI to circulate the invitation below:**

1. "The non-governmental organizations are pleased to announce that a reception will be held in conjunction with the forty-second session of the Sub-Committee of Experts on the Transport of Dangerous Goods. This opportunity for all delegates to the UNSCETDG to meet socially is an important element in promoting the friendly way in which we conduct our business. It is a great chance to meet informally beyond the time constraints of the meetings. All delegates, staff, interpreters and partners are invited and encouraged to attend.

2. The reception will take place on Wednesday December 5, 2012 directly after the meeting at 18:00. The location will be the Restaurant des Nations, 87, Rue de Montbrillant, 1202 Geneve. Delegates may walk from the Palais out the flag gate, then go past the tram station, cross the Rue de Ferney, turn left and walk a few hundred meters and find the restaurant on the right. The reception will be in the building foyer next door to the restaurant. Beverages and pizza will be provided. Delegates may remain for the duration of the evening as they wish.

3. The following organizations and companies are recognized for their generous support: Council on the Safe Transport of Hazardous Articles (COSTHA), European Aerosol Federation (FEA), International Paint and Printing Ink Council (IPPIC), Mauser Corporation, International Association for the Promotion and Management of Portable Rechargeable Batteries (RECHARGE aisbl), Praxair, International Confederation of Plastics Packaging Manufacturers (ICPP), Sporting Arms & Ammunition Manufacturers' Institute (SAAMI), Akzo Nobel Inc., Compressed Gas Association (CGA), Dangerous Goods Advisory Council (DGAC), European Metal Packaging (EMPAC), International Confederation of Drums Manufacturers (ICDM), Labelmaster, Labelmaster Services, scienceindustries (Switzerland), PRBA - The Rechargeable Battery Association, Reusable Industrial Packaging Association (RIPA) and Riskom International Pty Ltd."
