Avv. Guido del Mese – General Manager ASSTRA

UNECE workshop: Urban Transport & Mobility – Geneva, Palais de Nations,
03 September 2012
ASSTRA represents a network of more than 200 companies running urban, suburban and extra urban public transport services on:

- buses,
- tramway,
- trolleybuses,
- metropolitan railway,
- light rail (Except those operated by Trenitalia S.p.A.),
- waterborne transport,
- tourist and school services,
- parking areas,
- towing away of vehicles.
WHAT IT DOES

Acts to create awareness between policy-makers and public opinion on the social, economical and environmental role of local public transport, according to the principles of sustainable development.

Offers its members a wide spectrum of services such as legal, economic-financial and fiscal consulting on insurance, railways and technological progress and relations with trade unions.

Represents the interest of its members at public authorities, policy-makers, trade unions, economical, political and social organizations, acting at national, european and international level.
