

Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals

Sub-Committee of Experts on the Transport of Dangerous Goods

13 June 2013

Forty-third session

Geneva, 24–28 June 2013

Item 12 of the provisional agenda

Other Business

Reception by NGO's

Note by the secretariat

1. The secretariat has been invited to circulate the invitation below on behalf of NGOs participating in the session:

“The non-governmental organizations are pleased to announce that a reception will be held in conjunction with the forty-second session of the Sub-Committee of Experts on the Transport of Dangerous Goods. This opportunity for all delegates to the UN/SCETDG to meet socially is an important element in promoting the friendly way in which we conduct our business. It is a great chance to meet informally beyond the time constraints of the meetings. All delegates, staff, interpreters and partners are invited and encouraged to attend.

2. The reception will take place on Wednesday June 26, 2013 directly after the meeting at 18:00. The location will be the Restaurant des Nations, 87, Rue de Montbrillant, 1202 Geneve. Delegates may walk from the Palais out the flag gate, then go past the tram station, cross the Rue de Ferney, turn left and walk a few hundred meters and find the restaurant on the right. The reception will be in the building foyer next door to the restaurant. Beverages and pizza will be provided. Delegates may remain for the duration of the evening as they wish.

3. The following organizations and companies are recognized for their generous support:

AEISG, the Australian Explosives Industry Safety Group; COSTHA, the Council on the Safe Transport of Hazardous Articles; FEA, the European Aerosol Federation; IPPIC, the International Paint and Printing Ink Council; Mauser Corporation; Praxair; DGAC, the Dangerous Goods Advisory Council; ICPP, the International Confederation of Plastics Packaging Manufacturers; CGA, the Compressed Gas Association; EIGA, European Industrial Gases Association; RECHARGE, the International Association for the Promotion and Management of Portable Rechargeable Batteries; EMPAC, European Metal Packaging; ICDM, the International Confederation of Drums Manufacturers; IME, the Institute of Makers of Explosives; Labelmaster; Labelmaster Services; RIPA, the Reusable Industrial Packaging Association; DGTA, the Dangerous Goods Training Association; P R B A - the Rechargeable Battery Association; scienceindustries (Switzerland); Akzo Nobel Inc.; KFI, KiloFarad International and Riskom International Proprietary Ltd.”
