Proposal for editorial correction to UN Regulation No. 13-H

I. Proposal

Annex 9

Paragraph 4.2.2.1., amend to read:

"4.2.2.1. The American Society for Testing and Materials (ASTM International) E1136 standard reference test tyre, in accordance with ASTM E1337-90, at a speed of 40 mph; or …"

II. Justification:

1. The name of "ASTM" was recently changed into "ASTM International".
2. The proposal aims at reflecting this change in the text of UN Regulation No. 13-H.
