Priority list

- Informal document by Ambassador to IWVTA GRRF-74-44
- Upon proposal by JPN and RUS

Existing regulations will be splitted as to cover each required separately.
Progress on GRRF activities

a) R13H

Draft proposal of splitting:

- R13H.01 → Brake + ABS
  Proposal for draft amendments to Regulations No. 13-H relevant to the separate ESC/BAS regulation proposal

- Rxxx ECE → ESC
  CLEPA/OICA proposal for a separate Regulation on ESC

- Ryyy ECE → BAS
  CLEPA/OICA proposal for a separate regulation on BAS

Transitional provisions

Validity of existing R13H certificates and extensions?
Progress on GRRF activities

b) Tyre installation

- Russia proposal: “c” → “b”
- Draft ECE regulation based upon EU requirements?

ETRTO/OICA proposal for a new Regulation on the installation of tyres
Progress on GRRF activities

c) R79

- R79 progress will depend on LKAS + PA
  - “a” no LK modification
  - “b” LK included

- Eventual modification of ECE R79.01 → transfer prescriptions of Automatic Driving (ASE)

- Proposal from Ambassador
  - Keep R79.01 unmodified for IWVTA purposes → “a”
  - When R79.01 is modified to include LK + PA → “b”
Progress on GRRF activities

d) Tyre / TPMS

+ Split?
  - NO \( \rightarrow \) “a”
  - Yes (RUS) \( \rightarrow \) “b” \( \rightarrow \) Sponsor? Draft?

Proposal by the Russian Federation on the development of the technical requirements for IWVTA
