

Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals

Sub-Committee of Experts on the Transport of Dangerous Goods

16 June 2014

Forty-fifth session

Geneva, 23 June – 2 July 2014

Item 12 of the provisional agenda

Other business

Reception by NGO's

Note by the secretariat

1. The secretariat has been invited to circulate the invitation below on behalf of NGO's participating in the session:

“The non-governmental organizations are pleased to announce that a reception will be held in conjunction with the forty-fifth session of the Sub-Committee of Experts on the Transport of Dangerous Goods. This opportunity for all delegates to the UN/SCETDG to meet socially is an important element in promoting the friendly way in which we conduct our business. The reception provides a chance to meet informally beyond the time constraints of the meetings. All delegates, staff, interpreters and partners are invited and encouraged to attend.

2. The reception will take place on Tuesday June 24, 2014 directly after the meeting at 18:00. The location will be the Restaurant des Nations, 87, Rue de Montbrillant, 1202 Geneve. Delegates may walk from the Palais out the flag gate, then go past the tram station, cross the Rue de Ferney, turn left and walk a few hundred meters and find the restaurant on the right. Beverages and pizza will be provided. Delegates may remain for the duration of the evening as they wish.

3. The following organizations are recognized for their generous support:

AEISG, the Australian Explosives Industry and Safety Group; COSTHA, the Council on the Safe Transport of Hazardous Articles; FEA, the European Aerosol Federation; Labelmaster; Mauser Corporation; Praxair Inc.; SAAMI, the Sporting Arms & Ammunition Manufacturers' Institute; ICPP, the International Confederation of Plastics Packaging Manufacturers; DGAC, the Dangerous Goods Advisory Council; CGA, the Compressed Gas Association; EIGA, European Industrial Gases Association; RECHARGE, the International Association for the Promotion and Management of Portable Rechargeable Batteries; EMPAC, European Metal Packaging; ICDM, the International Confederation of Drums Manufacturers; IME, the Institute of Makers of Explosives; ITCO, the International Tank Container Organisation; SSSA, the Stainless Steel Container Assoc.; DGTA, the Dangerous Goods Trainers Association; P R B A - the Rechargeable Battery Association; scienceindustries (Switzerland); Akzo Nobel Inc.; Riskom International Proprietary Ltd.; and Schulte Transport Compliance LLC.”
