Update concerning the ITS activities

• June 2014 at the 163\textsuperscript{rd} WP.29 session

  WP.29 decided that:
  • Given the significance of the latest technological developments,
  • the IWG on ITS will be refocused to reflect the rapid technological development,
  • the IWG will take forward the challenges and coordinate the work of WP.29 and its related GRs on issues related to autonomous driving/automated driving/self-driving cars.

• Last IWG session:

  Highlights of the session on Friday, 27 June 2014 from 9.30-10.30 a.m.
  • Explanation by the WP.1 secretariat about the adopted amendments to the 1968 Vienna convention
  • Presentation by the secretariat on the state of play related to new technologies, automations and self-driving.

• Next IWG session on ITS

  • in Geneva on 11 November 2014

• Next round table on ITS

  • in Brussels on 17-18 November 2014
