Forty-seventh session

Geneva, 22 – 26 June 2015

Item 11 of the provisional agenda

Other business

Proposals of corrections to the 19th revised edition of the Recommendations on the Transport of Dangerous Goods, Model Regulations

Note by the secretariat

1. IAEA publication TS-G-1.1 Rev.1 is referred to in the third sentence of 1.5.1.1:
“Explanatory material can be found in “Advisory Material for the IAEA Regulations for the Safe Transport of Radioactive Material”, Safety Standard Series No. TS-G-1.1 (Rev.1), IAEA, Vienna (2008).”
2. This reference remained in the 18th revised edition of the UN Recommendations because the updated version of the IAEA Explanatory material matching the IAEA Regulations SSR-6 had not yet been published. The updated version of the Explanatory material has now been published by IAEA as “Advisory Material for the IAEA Regulations for the Safe Transport of Radioactive Material (2012 Edition)”, Safety Standard Series No. SSG-26, IAEA, Vienna (2014).” which supersedes IAEA Safety Standards Series No. TS-G-1.1 Rev.1.
3. It is proposed to correct 1.5.1.1 accordingly:
