The aim of this proposal is to improve the current UN Regulation No. 30 in order to:

- (a) Align some definitions and some contents of paragraphs with the other tyre regulations (UN Regulations Nos. 117, 54, 75 etc.);
- (b) Include a definition of "manufacturer" extracted from the resolution "R.E.3";
- (c) Adopt a common definition and use of the terms "Manufacturer's name", "Brand name", "Trademark", "Trade description" and "Commercial name" and their links;
- (d) Add some information in the certificate to the attention of the Authorities for making easier the relationship between this one and the products.
