

## **Final report on the establishment of amendment 2 to gtr No. 1**

1. The Executive Committee of the 1998 Agreement (AC.3) considered a proposal (ECE/TRANS/WP.29/AC.3/43) by the EU to amend global technical regulation No. 1 Door locks and door retention components at its forty-eight session in November 2016 (ECE/TRANS/WP.29/1126). The Executive Committee of the 1998 Agreement (AC.3) authorised GRSP to consider, at its December 2016 session, a concrete proposal to develop Amendment 2 to global technical regulation No.1. The proposed amendment is aimed at fully aligning the UN GTR with UN Regulation No. 11.

2. At its sixtieth session, GRSP recommended a draft Amendment 2 to gtr No. 1 for its establishment in the Global Registry at its June 2017 session (ECE/TRANS/WP.29/GRSP/2016/17). This amendment aligns the corresponding specifications for back doors with those of side doors with rear mounted hinges as encompassed in Regulation No.11.
