Working Party on Inland Water Transport

EDINNA's ongoing progress

Arjen Mintjes, M.E.L.
director of the Maritieme Academie Harlingen
Secretary General of the EDINNA network
Revision of the directive 96/50/EC on mutual recognition of boatmasters certificates in order to include all European IWT personnel

Draft version of the directive is finished but still under discussion (i.e. mandatory implementation of the columns 3 and 4 of the competence tables)

Current status: Proposal will be submitted to the European Parliament after completion of Trilogue between European Commission, European Parliament and European Council
Part of the Interreg Danube Transnational Programme

Contribution to the adoption of the new European legislation on the recognition of professional qualification and common educational standards

Promotion of Danube navigation development and Danube logistics

Transnational policy support

Partners: 15 organizations from 8 Danube (lead partner CERONAV) countries and 7 strategic partners (i.e. EDINNA)

UNECE
