

## **Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals**

Sub-Committee of Experts on the Transport of Dangerous Goods

14 November 2018

### **Fifty-fourth session**

Geneva, 26 November-4 December 2018

Item 11 of the provisional agenda

### **Other Business**

## **Reception by NGOs**

### **Note by the secretariat**

The secretariat has been invited to circulate the invitation below on behalf of NGO's participating in the session:

The non-governmental organizations are pleased to announce that a reception will be held in conjunction with this session of the Sub-Committee of Experts on the Transport of Dangerous Goods. This opportunity for all delegates to the UNSCETDG to meet socially is an important element in promoting the friendly way in which we conduct our business. The reception provides a chance to meet informally beyond the time constraints of the meetings. All delegates, staff, interpreters and partners are invited and encouraged to attend.

The reception will take place on Tuesday November 27, 2018 directly after the meeting around 18:00. The location will be the restaurant Brasserie, Tivoli les Nations, 87, Rue de Montbrillant, 1202 Genève. It's the same restaurant as last time. Delegates may walk from the Palais out the flag gate, then go past the tram station, cross the Rue de Ferney, turn left and walk a few hundred meters and find the restaurant on the right (See map below). Beverages and pizza will be provided. Delegates may remain for the duration of the evening as they wish.

The following organizations are recognized for their generous support:

AEISG, the Australian Explosives Industry Safety Group; DGTA, the Dangerous Goods Trainers Association; FEA, the European Aerosol Federation; IPPIC, the International Paint and Printing Ink Council; Mauser Packaging Solutions; SAAMI, the Sporting Arms & Ammunition Manufacturers' Institute; CGA, the Compressed Gas Association; EIGA, the European Industrial Gases Association; CEFIC, the European Chemical Industry Council; ICPP, the International Confederation of Plastics Packaging Manufacturers; COSTHA, the Council on Safe Transportation of Hazardous Articles; ICDM, the International Confederation of Drum Manufacturers; IME, the Institute of Makers of Explosives; Metal Packaging Europe; SSCA, Stainless Steel Container Association; Labelmaster; PRBA, the Portable Rechargeable Battery Association; Hazmat Safety Consulting; ICIBCA, the International Council of Intermediate Bulk Container Association; and MDBTC, the Medical Device Battery Transport Council.
