

Proposal for amendment to document ECE/TRANS/WP.29/GRB/2019/7 and Regulation 75

The proposed amendment are marked in bold for new or strikethrough for deleted characters.

I. Proposal

Insert a new paragraph 12.:

“12. TRANSITIONAL PROVISIONS:

12.1: As from the official date of entry into force of Supplement XX to the original series of amendments to this Regulation, no Contracting Party applying this Regulation shall refuse to grant or refuse to accept type approvals according to Supplement XX to the original series of amendments to **version of this Regulation.”**

12.2. As from 1st September [2020] no Contracting Parties applying this Regulation shall ~~accept to~~ grant type approvals according to Supplement XX to the original series of amendments to **version of this Regulation if the tyre to be approved does not meet the provisions of supplement [XX]**

12.3. For tyre first type approved before 31st August [2020] Contracting Parties applying this Regulation can continue to grant extensions of type approvals without taking into account the provisions of Supplement [XX].”

”

II. Justification

1. The introduction of such transitional provisions allows to define both the date from which the tyre may be approved according to this new amendment and the date from which a new type of tyre shall fulfill the requirements defined in this new amendment. In addition it is specified the rules applicable to the extension of approvals.
